STRENGTHS

Fast Learning

I'm 100% self-taught and I've learned all of these technologies in 1 year

Solving My own Problem

Being self-taught has taught me to solve my own problem

SUMMARY

I'm a Self-taught front end developer with a strong sense of aesthetics and interaction. I'm 21 years old and I'm in love with new technologies and ambitious to make my place in the open-source world. I am not just satisfied by just what it does and does it works I always ask my self how it does it
